NEXT STEP

From this catalogue to a sample

Three steps. No account, no platform, no minimum spend to start talking.

1

Send us a direction

A style from this catalogue, your own sketch, a tech pack or just a reference photo. Tell us the yarn or the hand-feel you want and the quantity you are planning.

2

We come back with a costing and a sample plan

Written quote with the assumptions spelled out - yarn count, gauge, trims, packing, Incoterm - so you can compare it against other suppliers. We ask before we assume.

3

Sample, then bulk

Sample in 15-25 days from confirmed tech pack and yarn. Bulk in 30-45 days, with AQL 2.5 final inspection and metal detection before it ships.
